ADMISSION 5 CENTS

Elder Robert M. Hopkins occupied the pulpit at the Christian Church yesterday morning.

Mr. George C. Easton of West Fourth street is celebrating his 69th birthday anniversary today. Considering his years, George is as lively as a cricket. May he see many returns of the day.

Chairman Clooney and his right hand man, Ben Smith, have taken time by the forelock and are busily engaged in removing mountains of snow off the streets before rain and thaw flood the thoroughfares.

For Aged People Old Folks Should be Careful in Their Selection of Regulative Medicine

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating.

I have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitution who suffer from constipation or other bowel disorder. I am so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that I offer them with my personal guarantee that they shall cost the user nothing if they fail to substantiate my claims. This remedy is called **Rexall Orderlies**.

Rexall Orderlies are eaten like candy. They have a soothing, healing, strengthening, tonic and regulative action upon the dry mucous lining and the relaxed muscular coat of the bowel. They produce a natural, successive contraction and relaxation of the muscular fibres of the bowel walls, generating a wave-like motion which forces their contents onward and outward, thus stimulating nature to perfect bowel movement. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhoea, excessive looseness, flatulence or other disagreeable effect. Try **Rexall Orderlies** on my guarantee: 36 tablets 25 cents, and 12 tablets 10 cents. Remember you can obtain **Rexall Remedies** in Maysville only at my store—**The Rexall Store**. **Thos. J. Chenoweth**.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, headache, urinary disorders, lameness, headache, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago."

Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

IT IS CREATING MUCH EXCITEMENT

Scores of People Are
Praising it to the
Skies

The following article recently appeared in The Lima, Ohio, Gazette: "The reporter has heard several of the leading doctors of our city say that Root Juice is certainly a great medicine, as a number of their patients after using it a short while for chronic stomach, liver and kidney troubles were rapidly improving. One broad-minded doctor was heard to say in the presence of a number of people that he prescribed it to his wife for a chronic liver trouble and from a short use of it is simply astonishing. The remedy is doing so much good here in Lima that it is the common talk of the city. People from every walk of life are praising it, and as a consequence the demand for the Juice is so great that it is hard to keep it in stock. The extraordinary merit of Root Juice have been proved by the experience of humane people whose word cannot be doubted. Those who have investigated have found every statement made in this paper in relation to the remedy as true as gospel. Scores of people are calling at the drugstore daily, and praising the great remedy to the skies for the wonderful good it is doing for themselves, or some member of the family. Mr. F. Monroe, who is well known here, said he has spent over four hundred dollars for medicine and treatment for his stomach trouble of long standing without benefit until he started to take Root Juice, but that one bottle made such a change in his condition for the better that even his friends were noticing it. Mr. Jesse Bennett said: 'Both my boy and self were badly afflicted with rheumatism when we commenced to take Root Juice. In fact, I was unable to get out of bed, but after using it a while we are now entirely relieved. I am now able to get around and attend to my work without a particle of soreness or pain, and my boy no longer complains; the for us.' The Root Juice people have hundreds of testimonials from well known people all over the State. The remedy is beginning to create much talk here in Maysville, as several that have been using it a few days are praising it very highly."

A wireless from Mt. Sterling declares that Judge O'Rear wants to run for Governor.

That is no news.

A MODERN VALENTINE.
"Oh, who will be my valentine?" cried little Sue;
"I want a knight of the olden time, faithful
and true.
He must be quick to rescue me, loving and
kind,
Attentive to my every wish, my mind his mind.
I'm sure there are no knights like this for
modern maid,
And I can have no valentine; I am afraid
A faithful service all the year is not for me."
Said Rover, sitting at her feet—"Try me and
see."

We Are Determined To Close Out All Men's and Boys' Suits and Overcoats in the House.

We do this knowing that we cannot replace these garments next season at the price we are selling them.
Some of these Suits are medium weight and can be worn the year 'round. If you really do not need a suit
or overcoat it would pay you to buy one and keep it till next winter. Remember, you have only a few days
left to take advantage of these wonderful values.

SHIRTS—If we have your size in the Manhattan and Earl & Wilson remember you can buy these
for what the cheaper ones sell for.

IF THERE'S ANYTHING NEW, we have it. Drop in and try on one of our new Zephyr-Weight
Raincoats, just the thing for damp days.

WEATHER CONTINUES FOR HEAVY SHOES—We have them—high and medium tops, viscol-
ized soles, suitable for this mean weather. We guarantee every pair. You know the kind we handle.

Yours very truly,

fective.

CHRISTIAN ALTMAYER.

Mr. Christian Altmayer, a former resident
of this city, died yesterday morning at 7
o'clock at his home in Cincinnati, after a pro-
tracted illness with a complication of diseases,
aged 50 years October last.

The deceased was born in Maysville, and
besides his widow, son and daughter, he leaves
two brothers and six sisters—John J. Altmayer,
Editor of The Bulletin, George Altmayer of
Knoxville, Ind., Mrs. Frank Devine, Mrs. Frank
Bergoyne, Mrs. Henry Otto, Miss Maggie Alt-
mayer and Mrs. Charles Traxel of this city and
Mrs. Albert N. Hoff, Huntington, W. Va.

The remains arrived here this morning on
the 10 o'clock C. and O. train, and were re-
moved to the home of his brother, Mr. John J.
Altmayer, in West Second street, from which
place the funeral will take place this after-
noon at 1 o'clock, with services by Rev. Poole,
Pastor of Christ Church, Cincinnati.

Interment in Maysville Cemetery.

Mr. and Mrs. Reese Clark will move today
from Millersburg to a farm near Maylick.

Thomas H. Milton and Mose Adams, who
claim Cincinnati as their home, were arrested
and taken off No. 3 when the train stopped at
the C. and O. Depot Saturday afternoon. They
were locked up charged with disorderly conduct
and insulting passengers while aboard the
train. They will have a hearing before Judge
Whitaker in the Police Court this afternoon.

CANDIDATES IMMERSSED

**Colored Baptizing in the Ohio With
the River Full of Heavy Run-
ning Ice**

At the ferry landing at the foot of Lime-
stone street yesterday afternoon a multitude
of people viewed a sacred scene not often wit-
nessed at this season of the year, especially
with conditions such as they were on this oc-
casion.

With the mercury in the thermometer down
below the freezing point, and the river full of
heavy ice, it is not every one that would be
willing to take it upon themselves to be im-
mersed beneath the ice-cold water, even though
it be a Christian ritual.

There were six converts baptized, Rev.
Price, Pastor of the Colored Baptist Church,
officiating. The candidates for immersion
were conveyed to the river and returned home
in a covered vehicle. It was certainly a cold
job, without a doubt.

THE Kentucky Legislature is having night sessions, but the County Unit people are having nightmares.

THE Hon. WHITELAW REID has a cinch on the office of U. S. Ambassador to Great Britain simply because he is the only American rich enough and improvident enough to fill the office and pay the half million dollars expenses of his regal domestic menage. This comes from marrying a girl whose father left her \$30,000,000.

THE Democrats declare the Republicans are frightened over high prices. The Republicans know that low prices always go along with Democratic policies. Which would you rather have: the money to pay Republican high prices, or no money to pay Democratic low prices? Think it over. We've all had a taste of both, too.

At Lincoln, Neb., W. J. Bryan has come out flat-footed for county option in Nebraska. He says: "The saloon—not every one, but as a rule—is in alliance with vice. It is constantly used to debauch politics and to prevent the intelligent consideration of public questions. The liquor interests interfere in all matters that may even remotely affect their interests. They made themselves odious at the last session of the Nebraska Legislature."

SPEAKING of "constitutional rights," out at Frankfort the Democratic members of the Legislature are using the sacred document of the Commonwealth of Kentucky for a door mat with the word "welcome" to the political orgies.

A DEMOCRATIC organ says "high living inquiry worries Republicans." That's one of the greatest political compliments ever bestowed. The Democrats were raising Cain two years ago because of low prices, caused, they, declared by Republican commercial stagnation. How is it now, please? Mr. Farmer and Mr. Producer and Mister Hog, generally, now wear a grin a foot wide. It's the man who buys and has nothing to sell but his labor that feels the jolt of high prices. Under present high priced conditions many Mister Producer is Lord of the Manor and is playing both the bull and the bear in the big market place circus.

Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Weather report: Fair and warmer today: Tuesday unsettled.

President Taft's Lincoln Day speech at the Waldorf Hotel is a Republican pronunciamento regarding his fight in favor of the Roosevelt policies. No utterances of the President have ever been more direct, positive and clear-cut as to his firm stand and aggressive policy regarding the fight against unlawful trusts and monopolies and for a progressive Republican government. It was the most forcible and able speech of his Administration, and seemed made to suit the occasion, the time and the expectations of his party. Coming just prior to the return of Roosevelt, he did well to reiterate his fealty to the purpose of suppressing all forms of monopolistic graft. There will be no backward steps following Roosevelt's work, says Mr. Taft.

Foreign Hair Critics.

Shrewd foreign observers have remarked that if the American woman of middle age would spend a fraction as much money on her hair as she does on her boots and hosiery she would be the most ravishing creature in the world. In France and England the first gray hair is a tragedy, and to avert this tragedy as long as possible is a matter of vital and absorbing moment. When attacked with prompt action, however, this trouble may be utterly routed or its onslaught at least postponed. Nearly all druggists nowadays carry in stock or can promptly get HAY'S HAIR BEAUTIFIER, which is the recognized antidote for prematurely gray hair. It is well to avoid unknown and untested remedies claiming to be just as good as HAY'S HAIR BEAUTIFIER. Many of these preparations are distinctly harmful, and their only excuse for being so is to trade on the twenty years' reputation and good-will that HAY'S HAIR BEAUTIFIER has earned by reason of its remarkable efficiency when applied in time. It costs only 50c. or a dollar for a bottle. At druggists or from the manufacturer, Chas. Hay Specialties Co., Newark, N. J., U. S. A.
